What does Chemin Island cost each year?

- Municipal tax: about $15,123 a year (estimate). The roll value times the town's 2025 global effective tax rate (0.7136 per $100). That rate is an average over every kind of property, not the residential rate on your bill; fixed fees and the school tax are not included.

- Transfer duties (“welcome tax”): at least $37,210 if the property were sold in 2026. Worked out as the roll value × 1.23 (the town's 2026 comparative factor) = $2,606,616, at the 2026 provincial brackets (0.5% up to $62,900, 1% up to $315,000, 1.5% above). The real base is the higher of the price and this amount; some transfers are exempt (for example between spouses or parent and child). A town may set a higher rate on the part above $500,000, in which case the real amount is higher.
