What does 9 Chemin Mongo cost each year?

- School tax 2026-2027: about $132 (estimate). Worked out as the roll value × 1.15 (the factor the MAMH published for 2026), less the first $25,000, at 0.07899 per $100, the single rate set by the Government of Québec. The real bill starts from the “adjusted” uniformized value: when a new roll takes effect, the rise or fall is phased in over a few years, so the bill can differ from this estimate.

- Transfer duties (“welcome tax”): at least $1,607 if the property were sold in 2026. Worked out as the roll value × 1.15 (the town's 2026 comparative factor) = $192,165, at the 2026 provincial brackets (0.5% up to $62,900, 1% up to $315,000, 1.5% above). The real base is the higher of the price and this amount; some transfers are exempt (for example between spouses or parent and child).

- The Government of Québec's map (ZEMT, ministère de la Sécurité intérieure) places this property's point in a coastal erosion constraint zone (St. Lawrence River and Gulf) (type E; 2012 map). The map describes such zones as protection strips where various interventions must be regulated (« bandes de protection où différentes interventions doivent être réglementées »), so some work there falls under municipal rules.
