The assessment on the roll in force

Assessed value	**$570,400**
Land	**$212,500**
Building	**$357,900**

Source: the municipality's property assessment roll, published by the Ministère des Affaires municipales et de l'Habitation (MAMH).

What does 8195 Rue des Ormes cost each year?

- Municipal tax: about $2,164 a year (estimate). The roll value times 0.3794 per $100: the town's 2025 global effective tax rate (0.4941), lowered for the 30% rise in all values in town since then. That rate is an average over every kind of property, not the residential rate on your bill; fixed fees and the school tax are not included.

- School tax 2026-2027: about $431 (estimate). Worked out as the roll value × 1.00 (the factor the MAMH published for 2026), less the first $25,000, at 0.07899 per $100, the single rate set by the Government of Québec. The real bill starts from the “adjusted” uniformized value: when a new roll takes effect, the rise or fall is phased in over a few years, so the bill can differ from this estimate.

- Transfer duties (“welcome tax”): at least $6,666 if the property were sold in 2026. Worked out as the roll value × 1.00 (the town's 2026 comparative factor) = $570,400, at the 2026 provincial brackets (0.5% up to $62,900, 1% up to $315,000, 1.5% above). The real base is the higher of the price and this amount; some transfers are exempt (for example between spouses or parent and child). A town may set a higher rate on the part above $500,000, in which case the real amount is higher.
