What does 5E Rang cost each year?

- Municipal tax: about $35 a year (estimate). The roll value times 0.9174 per $100: the town's 2025 global effective tax rate (1.2081), lowered for the 32% rise in all values in town since then. That rate is an average over every kind of property, not the residential rate on your bill; fixed fees and the school tax are not included.
