What does 9 Rang du Lac cost each year?

- Municipal tax: about $4,394 a year (estimate). The roll value times 1.3475 per $100: the town's 2025 global effective tax rate (1.7617), lowered for the 31% rise in all values in town since then. That rate is an average over every kind of property, not the residential rate on your bill; fixed fees and the school tax are not included.

- School tax 2026-2027: about $238 (estimate). Worked out as the roll value × 1.00 (the factor the MAMH published for 2026), less the first $25,000, at 0.07899 per $100, the single rate set by the Government of Québec. The real bill starts from the “adjusted” uniformized value: when a new roll takes effect, the rise or fall is phased in over a few years, so the bill can differ from this estimate.

- Transfer duties (“welcome tax”): at least $3,002 if the property were sold in 2026. Worked out as the roll value × 1.00 (the town's 2026 comparative factor) = $326,100, at the 2026 provincial brackets (0.5% up to $62,900, 1% up to $315,000, 1.5% above). The real base is the higher of the price and this amount; some transfers are exempt (for example between spouses or parent and child).
