What does Rang Scott cost each year?

- Municipal tax: about $167 a year (estimate). The roll value times the town's 2025 global effective tax rate (0.8469 per $100). That rate is an average over every kind of property, not the residential rate on your bill; fixed fees and the school tax are not included.

- Transfer duties (“welcome tax”): at least $126 if the property were sold in 2026. Worked out as the roll value × 1.28 (the town's 2026 comparative factor) = $25,216, at the 2026 provincial brackets (0.5% up to $62,900, 1% up to $315,000, 1.5% above). The real base is the higher of the price and this amount; some transfers are exempt (for example between spouses or parent and child).
