What does Rang 10 cost each year?

- Transfer duties (“welcome tax”): at least $9,250 if the property were sold in 2026. Worked out as the roll value × 1.00 (the town's 2026 comparative factor) = $742,600, at the 2026 provincial brackets (0.5% up to $62,900, 1% up to $315,000, 1.5% above). The real base is the higher of the price and this amount; some transfers are exempt (for example between spouses or parent and child). A town may set a higher rate on the part above $500,000, in which case the real amount is higher.
