What does Île cost each year?

- Municipal tax: about $49 a year (estimate). The roll value times 0.9567 per $100: the town's 2025 global effective tax rate (1.1896), lowered for the 24% rise in all values in town since then. That rate is an average over every kind of property, not the residential rate on your bill; fixed fees and the school tax are not included.

- Transfer duties (“welcome tax”): at least $26 if the property were sold in 2026. Worked out as the roll value × 1.00 (the town's 2026 comparative factor) = $5,100, at the 2026 provincial brackets (0.5% up to $62,900, 1% up to $315,000, 1.5% above). The real base is the higher of the price and this amount; some transfers are exempt (for example between spouses or parent and child).
