What does 3E Rang cost each year?

- School tax 2026-2027: about $0 (estimate). Worked out as the roll value × 1.18 (the factor the MAMH published for 2026), less the first $25,000, at 0.07899 per $100, the single rate set by the Government of Québec. The real bill starts from the “adjusted” uniformized value: when a new roll takes effect, the rise or fall is phased in over a few years, so the bill can differ from this estimate.
